For what they had done last night after we left them, was to take the jailor's key, free the prince, and tie up the jailor and put him in the cell under all the grey blankets. In the morning, when the sailor had come to exchange clothes, Jack had freed himself again when the sailor left, then slipped off the ship to join Amos.. "No! There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set."
