Subject: Problems with Communications Network I am sending this message by mail as there seems to be something wrong with the Megalo telephone system and the message network is all fouled up. Enclosed are copies of the last two messages received from your installation. I shall assume that your screwball friend Ha-zeldorf has gotten into the guts of the message-switching system and reprogrammed it to produce these messages as a practical joke. If this is the case, correct the situation immediately and dismiss Hazel-dorf. Please contact me at once to apprise me of the status of corrective action. I assume that you are still in charge down there and that all of this is merely some kind of poor-taste humor.. I stood outside number seven suddenly feeling like a teen-ager about to pick up his first date. I could. and I need not worry about him." "Terrific!" Hollis says. "You could leave an album of greatest hits. You know, for posterity. Free. He held up his hands then, and a deerskin unrolled from them. With a swift, savage movement, he tacked it to the door with his knife. The hooves did not quite touch the ground.. He turned for a moment to stare at the model of SP3 gleaming on the table beside him and then pointed to it. "Five years from now, that automated probe will leave the Sun and tour the nearby stars to search for habitable worlds... away from Earth, and away from all of Earth's troubles, problems, and perils. Eventually, if all goes well, it will arrive at same place insulated by unimaginable distance from the problems that promise to make strife an inseparable and ineradicable part of the weary story of human existence on this planet." Congreve's expression took on a distant look as he gazed at the replica, as if in his mind he were already soaring with it outward and away. "It will be a new place," he said in a faraway voice. "A new, fresh, vibrant world, unscarred by Man's struggle to elevate himself from the beasts, a place that presents what might be the only opportunity for our race to preserve an extension of itself where it would survive, and if necessary begin again, but this time with the lessons of the past to guide it." I helped her to her feet and into her cape. With a hand under her elbow, I guided her out of the Beta Cygnus, leaving the dancer staring open-mouthed after us. "Tell him I'll get back on it Monday." "I see him; he's in the brook, going upstream." "Are you in command today, then?" I asked.. "Oh, now," said Michelle placatingly. "We're still your friends, Mr. Riordan, but business is business..
