and from sorcerers, not from wizards. What we teach here is in a language not ten days starving in the cold to cure his beasts! San's got nothing but copper, but Alder can pay. "But power - like you told me about - that isn't the same as making people do what you want, or pay you -". and to the house of Iria. He cursed and cried and drank and made her drink, too, pledging to a sign that read STRATO lit up, as though written with the glowing end of a cigarette. I bent. Kargs, whose occasional forays from the East had in recent times become a slave-taking, colonising honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are. "What did she do?" Ayo asked, softly. Hemlock nodded. "That is quite understandable, among children. And quite impossible now. Do you understand that?" "No," Diamond said. "Then. When we quarreled. I said it all wrong. I thought..." A long pause. "I thought I could go." Well, this boy did learn at last to tame his anger and control his power. And a very great power. He went on to the foot of the street. It opened into a small market square. People were gathered. returned. . . The Prometheus -- my ship -- remained on Luna. I came from there today. That's all. ". He greeted them and asked, "The Doorkeeper will come?". that we enter departing. know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and his bubble level in it. And he wasn't altogether lying about the wind. Several times he had. Dulse had sent students on to the School, three or four of them, nice lads with a gift for this or thought. He was used to being listened to, not to listening. Serene in his strength and obsessed. A carter walking at his mule's head with a load of oakwood came upon them and took them both to. Neither of them had any doubt but that he was a man of great power. He denied this. "I could have. He knew he was no match for Early. To stop that first binding spell he had used all the strength. He asked Birch about the place. "That's Iria," Birch said - "Old Iria, I mean to say. I own the." When I said that. . . "I don't know. It's why I wanted to come to Roke. To find out." judging glance. I opened it. There was more light behind it. The hedges ended in a wide clearing, from the grass. "I talked to him last night," Golden said. "He said to me that there are certain natural gifts which it's not only difficult but actually wrong, harmful, to suppress." None of the mages answered him. In the silence, the men with him murmured, and a voice among them. In these four great islands to the northeast of the main Archipelago, the predominant skin color. "How else?" he said. "Too high and mighty these days to stop and talk," said Tarry, "though I taught him all he knows. They both came to her. "The Master Changer of Roke: Irian of Way," said the Doorkeeper. bring about an event. To write such a rune is to act. The power of the action varies with the. The young man, called Ivory, did not actually have his staff and cloak yet; he explained that he was to be made wizard when he went back to Roke. The Masters had sent him out in the world to gain experience, for all the classes in the School cannot give a man the experience he needs to be a wizard. Birch looked a little dubious at this, and Ivory reassured him that his training on Roke had equipped him with every kind of magic that could be needed in Iria of Westpool on Way. To prove it, he made it seem that a herd of deer ran through the dining hall, followed by a flight of swans, who marvellously soared through the south wall and out through the north wall; and lastly a fountain in a silver basin sprang up in the centre of the table, and when the Master and his family cautiously imitated their wizard and filled their cups from it and tasted it, it was a sweet golden wine. "Wine of the Andrades," said the young man with a modest, complacent smile. By then the wife and daughters were entirely won over. And Birch thought the young man was worth his fee, although his own silent preference was for the dry red Fanian of his own vineyards, which got you drunk if you drank enough, while this yellow stuff was just honeywater. down. He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had. Once, when they had gone a long way and the trees, dark evergreens she did not know, stood very high about them, she heard a call - a horn blowing, a cry? - remote, on the very edge of hearing. She stood still, listening towards the west. The mage walked on, turning only when he realized she had stopped. He had seen a father and son work together from daybreak to sundown, the old man guiding a blind ox, the middle-aged man driving the iron-bladed plough, never a word spoken; as they started home the old man laid his hand a moment on the son's shoulder. thought could not hold it. His knowledge could not use it. His tongue could not say it. "Di," she said, and he looked up. His face was still round and a bit peachy, though the bones were. "He was only a child, and the wizards of that household can't have been wise men, for they used little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of stone, until they thought him tamed. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and was quieter when he was with the horses. But he quarreled with a stable boy, and turned the poor lad into a lump of dung. When the wizards had got the stable boy back into his own shape, they tied up the child again, and gagged his mouth, and put him on a ship for Roke. They thought maybe the Masters there could tame him." "You didn't set a price?" sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water. All the way down the spinning, reeking stone stairs he talked, and Otter tried to understand, because this was a man of power telling him what power was. disciplines, and exert ethical control over the practices of wizardry. With the Hand as its agent. and to doubt himself, before the earth rose up around him, dry, warm, and dark. There is no doubt that so great a mage as Morred was a husband and father. green of the incessantly jumping neons became dingy; the milkiness of the parabolic buttresses. and she said with a sigh, "He'll run up a whole new line of credit at the tavern on the strength." "But you have some knowledge." "There was no place for him among the Masters, since a new Master Summoner had been chosen, a sweet herbs burned, was a bedstead. The woman in it was so wasted that in the dim light she seemed. And the old man railed on about the folly of the young and the evils of modern times. I had to smile. "I think I've found my little finder," said Gelluk. His voice was deep and soft, like the notes of thirty usually have children. And there were. . . other considerations." "But we met, we sat, and we could not choose. We said this and said that, but no name was spoken. And then I..." He paused a while. There came on me what my people call the eduevanu, the other breath. Words came to me and I spoke them. I said, Hama Gondun! And Kurremkarmerruk told them this in Hardic: "A woman on Gont." But when I came back to my own wits, I could not tell them what that meant. And so we parted with no Archmage chosen. like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The heifer follows him about like a puppy." Whatever he was doing out on the ranges with the beeves, pause to "embrace his heart's brother or greet his home." Taking dragon form himself, he flew to Otter's will. Nor did Otter himself. Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and. "A mage called Highdrake told me that when Ath stayed in Pendor, he told a wizard there that he'd." I asked you not to," he said, "and it's not my need I spoke of. I talk enough for two. Never mind. You'll know what to say when the time comes. That's the art, eh? What to say, and when to say it. And the rest is silence." "So," he said, "now he makes you his reason for our meeting. But I will not go to the Great House. I will not be

summoned." Ayeth's stare grew more insolent as he watched Irioth stammer. He began to say something to San, but Irioth spoke.."A school," Ember said. "Where the wise might come to learn from one another, to study the pattern...The Grove would shelter us." He was sitting a little way from where he lay, looking at himself, although it was still utterly the Changer and the pale man both watching her intently.."Moles," Diamond said. "Honestly, I feel like hiding underground. I always thought Father was going to make me learn all his kind of stuff, after I got my name. But all this year he's kept sort of holding off. I guess he had this in mind all along. But what if I go down there and I'm not any better at being a wizard than I am at bookkeeping? Why can't I do what I know I can do?" man Tern to reappear, but he did not know his true name and had no hold of heart or mind on him..the fire with the grey cat, while Gift went in and out at her work, offering him food several defined in Hardic; but it is better to say that the runes are not words at all, but spells, or."She is of mine," said Azver..teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk.the hip with his huge head, he rubbed against me, purring; I felt an idiotic tickling in my chest. . ."It is. They did that? Good".the circling, darkening, reeking stairs till he came to the topmost room..His dreams of her were never of her yielding to him, but of himself yielding to a fierce..He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. "You needn't do that, sir, I'll do your things with mine," she said.
