The signal had announced that the Kuan-yin had identified a suitable planet in orbit around Alpha Centauri and was commencing its experiment. The planet was named Chiron, after one of the centaurs; three other significant planets also discovered by the Kuan-yin in the system of Alpha Centauri were named Pholus, Nessus, and Eurytion.. "Sounds good," Driscoll said. "I can't make any promises fight now though. Everything depends on how things go. If things work out okay, how would I find the place?". "Our own people have a right to expect the protection of a properly constituted legal system, and this planet falls even to possess one," Kalens argued. Her vision.Colman tried to ignore them as he re-formed the squad while Sirocco consulted his papers to identify the next house on the list. The Chironians understood that taking it out on the soldiers wouldn't help their cause. A soldier who might have been an ally became an enemy when he saw his friends being carried bruised and bleeding away from a mob. Everything the Chironians did was designed to subtract from their enemies instead of add to them, and to whittle their opposition down to the hard core that lay at the center, which was all they had any quarrel with. He could see it; Sirocco could see it, and the men could see it. Why couldn't more of the Terrans see it too?. "Now, what would a handsome sergeant like you be up to in the Baltimore module?'. '-You got it wrong," Colman told them. "It's not the little ones at all." He widened his eyes in a parody of lewd anticipation and grinned. "Think of all those grandmothers."
