Wizards trained at the school went to other islands of the Archipelago to work against warlords, pirates, and feuding nobles, preventing raids and forays, imposing penalties and settlements, enforcing boundaries, and protecting individuals, farms, towns, cities, and shipping, until social order was re-established. TARRY'S MALICE had left his nerves raw, and the thought of the party weighed on him till he lost his appetite. He thought hopefully for a while that he was sick and could miss the party. But the day came, and he was there. Not so evidently, so eminently, so flamboyantly there as his father, but present, smiling, dancing.
